Dear friends,

We are pleased to announce the forthcoming release by Arte of Andrei Tarkovsky's last film *The Sacrifice*, scheduled for November 23rd. In it, you will find two new documents: an interview of the main actor Erland Josephson, and *Le Dernier film* by Michal Leszczyłowski who edited the film.

We would also like to remind you of the special rates given to the members of the Amis de l'Institut Tarkovski for other DVDs of Tarkovsky's work released by MK2. Contact : **MK2 Editions**, Marie-Laure Lenormand - 55, rue Traversière-75012 Paris - tél. 01 44 67 32 70 or 01 44 67 44 81.

Furthermore, on the occasion of the twentieth anniversary of Andrei Tarkovsky's death (December 29th, 1986) there will be special events in France and Italy, among other places. There will be retrospectives of his work, a concert, exhibitions, discussions, new publications, theatrical adaptations, and more.

The cycle will begin in Italy on December 29th, 2005 with a concert, *Offrande imaginaire*, by Andrei Andreievitch Tarkovsky, at 8PM at the Teatro Goldoni in Florence. Following, on January 10th, 2006, will be a meditation by Andrei Tarkovsky on *The Apocalypse*, at the church of Santo Stefano del Ponte, also in Florence. There will also be a photograph exhibition *Instant light* at the Archivio Storico del Comune du Firenze, from January 19th to February 19th 2006.
